

WASTE MATERIAL Trucking Co., Inc.

Since 1937, the Zommer family appreciates the opportunity to serve you!

Greetings to all WMTC customers:

As we approach yet another challenging year in 2024 here in the U.S. the cost of living keeps rising. Products and services going up 8 to 10 percent and in most instances as high 20 -30 %. The political landscape in this country and worldwide is clearly falling apart at the seams. International conflicts are popping up all over the world, who knows when and if they'll stop before landing on our own soil. Not much we can do here in America so its life goes on as usual.

Here at Waste Material Trucking Company, we will do our best to keep the "little" things in life going smoothly. It is our mission and always has been to provide the best trash and recycling service in the industry. We have proven for decades that if you have 'stuff" to get rid of that there is no hauler out there more equipped, experienced, focused or sensitive to our customer's needs. Whether it's weekly trash and /or recycling, a garage, basement, attic clean out or a construction project at your home or business, we will take care of it and you. We offer all sizes of dumpsters and special pick-ups to fulfill any of your needs. Please call us and our professional staff will answer any questions you may have.

In closing I am overjoyed to introduce to you the newest Zommer member of our Waste Material family. Michael (the 5th) William Zommer, born December 13,2022.

Sincerely,
The Zommer Family

Mark A. Zommer, President

Mark and sons,
Cole & Luke Zommer

CHRISTMAS TREE PICKUP

Reminder: We will pickup Christmas trees week of 1/15/24 on your regular day. Only 1 tree per household.

Southington - Week of 1/15

Avon - Town will pick up

TIPS & TRICKS

TRASH

- Carts should be placed 4 feet away from other objects, with the front of the cart facing the street.
- Always bag trash to keep the cart clean and allow trash to flow out freely. Break down larger items so they will not get lodged in the trash cart.
- Do not overstuff carts, lids must be closed.
- Snowstorms -(Put totes out, 5ft from end of driveway.) *We will reach it, the plow won't.*
- Please do not put any grass clippings or yard waste in trash
- No construction debris(wood, sheetrock)

RECYCLE

- No plastic bags, soiled pizza boxes, styrofoam, leaves, wood or metal in recycling carts.
- Please cut recyclable boxes to fit into cart.
- All food and beverage containers should be clean and rinsed.
- Have a question if it is recycled? Check out Connecticut's official website: Portal.CT.gov/DEEP/Waste-Management-and-Disposal/What-Do-I-Do-With

Happy Hauling Days!

BEAR INFO

- OK to put locks on, but must be unlocked on pickup day for driver
- Tape dryer sheets under the lid and let them hang out. Replace monthly.
- Wash/clean regularly with ammonia or disinfectant cleaner or bleach to deter animals.
- Always bag the trash.
- Mix Pine Sol & water in spray bottle. Spray outside of container. Bears don't like pine scent.
