

WASTE MATERIAL Trucking Co., Inc.

Since 1937, the Zommer family appreciates the opportunity to serve you!

Greetings to all WMTC Families and Friends,

It is only once a year that I have the opportunity to reach out to you and say hello. As our country is about to go through some significant changes in the next couple of years, we are hopeful that these changes will help us and many other small companies across the country to regulate the cost of running our businesses. Now having entered our 4th generation of this family business, one thing we have certainly learned is that customer needs are priority number one.

We exist to assist every single one of our clients' trash and recycling issues, extra pickups, special pickups, bulky item removal, dumpster rentals, or just advice about anything you need to dispose of. Please call us.

We are looking forward to 2025 and beyond and are positive that the cost of living in America will level off and products and services will become a little more affordable. Let's cross our fingers.

Merry Christmas & Happy New Year to you all.

Sincerely,
Mark A. Zommer
President

and a Blessed New Year!

The Zommer Family,
Staff & Crew of WMTC

Holiday Schedule

We are closed for only 6 holidays each year:

New Years Day Memorial Day
Independence Day Labor Day
Thanksgiving Day Christmas Day

Also on our website:

Wastematerialtrucking.com

If your collection falls on one of these holidays or after, your pickup will be on the next day.

When in doubt, put them out!

CHRISTMAS TREE PICKUP

Reminder: We will pickup Christmas trees week of 1/20/25 on your regular day. Only 1 tree per household.

Southington - Week of 1/20

Avon - Town will pick up

REDUCE

REUSE

RECYCLE

What do I do with . . . ?

There are many ways to reuse or recycle items that are no longer of use to us in our homes. As residents of Southington and Avon, reusing or recycling these items can reduce the amount and toxicity of the garbage that is disposed in our towns. Some alternatives to disposal that you should think about include: **Fix it!** Can your item be repaired? If so, you will not have anything to dispose of, and you could save on replacement costs. **Give it away!** If the item you have is still usable, chances are that there is someone else that could use it. Before throwing it away, check with friends, relatives, and neighbors to see if they would like to have it. Or, just put it on your curb on a nice day with a sign on it saying “free.” Donate it! Many charities are happy to take items such as consumer electronics, furniture, rugs, etc. Before throwing these kinds of items away, check with your local Goodwill, Salvation Army, Church, or other charities to see what items they may be willing to take. Sell it! Hold a tag sale or take your items(s) to a local flea market (look in your local newspaper for times and locations in your area). You might be surprised to find that an old item you think is a piece of junk is just what some collector is looking for! None of these ideas work for your item. Then for assistance on proper disposal or recycling check out Connecticut’s official website for the proper way to dispose of or recycle household items A-Z: Portal.ct.gov/deep/waste-management-and-disposal/what-to-do-with

We enjoyed meeting our customers at the 20th Annual Touch A Truck Event 5/18/24 Held at the Southington Drive In *Fun was had by all!*

Our Drivers:

In Southington	In Avon
Rich Boucher	Shawn DiYulio
John Wilson	Jim Lynch
Jim Lynch	Rich Boucher

Would Like to Say

“Thank You to all the customers who remembered them at the Holidays”
